(Unit Ethics Coordinator)

138/20 – NOVEMBER ETHICS DISCUSSION

1. While scrolling through social media you see that one of your friend's corps has posted some photos from their in-person training. It looks like the cadets are having a great time, but it's clear from the photos that they are not observing the 6 ft distancing rule. You don't want your friend to get in trouble, or the cadets to lose their ability to do in-person activities, but you are concerned about how these images will reflect on the organization. What should you do?
2. Discuss the following:
 - a. What type of ethical dilemma is this?
 - b. What CAF values and priorities are at play in this dilemma?
 - c. Is there any direction and guidance in place that may impact your decision?
